Would you refer a friend to take this course?  

Yes

(Please turn over)
C. Open Response:

1. What are the instructor's best characteristics?
   Very easy-going and understanding towards students'
   needs.

2. What are the teacher's worst characteristics?
   None.

3. How does this instructor compare to other instructors you had at NU?
   Awesome instructor! Enjoyed the class at 8 a.m.

4. Do you have any suggestions with regards to the content and/or method of the course?
   No.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   Yes because he helps to understand the material and doesn't just run through it.

6. Additional remarks:

C. Open Response:

1. What are the instructor's best characteristics?
   
   Very knowledgeable and enthusiastic.

2. What are the teacher's worst characteristics?
   
   Can be overbearing and write too much on board.

3. How does this instructor compare to other instructors you had at NU?
   
   About the same.

4. Do you have any suggestions with regards to the content and/or method of the course?
   
   I think it should be more interactive.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   
   Yeah, Jose is chill.

6. Additional remarks:
   
   I like Jose's little jokes and extra credit questions.

Could you refer a friend to take this course?  

NO

Thank You
C. Open Response:

1. What are the instructor's best characteristics?
   Gave lots of examples and provided office hours.

2. What are the teacher's worst characteristics?
   Hard material, didn't do best job explaining.

3. How does this instructor compare to other instructors you had a NU?
   Very good / Average.

4. Do you have any suggestions with regards to the content and/or method of the course?
   Content too difficult.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   If you had to take this course, yes, I would recommend this instructor.

C. Open Response:

1. What are the instructor’s best characteristics?
   - His patience, knowledge of the subject, and understanding.

2. What are the teacher’s worst characteristics?
   - Caused a lot of stress.

3. How does this instructor compare to other instructors you had at N.U.?
   - He is better than some of my professors.

4. Do you have any suggestions with regards to the content and/or method of the course?
   - Organization needs better at the end of the semester is less review.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   - Yes because I learned a lot from him and I enjoyed his course.

6. Additional remarks:
   - Thank you Jose! You were great!

C. Open Response:
1. What are the instructor's best characteristics?
   He is very attentive and answers questions very fast.

2. What are the teacher's worst characteristics?

3. How does this instructor compare to other instructors you had at NU?
   Very good professor. I would take another class with him but not math.

4. Do you have any suggestions with regards to the content and/or method of the course?
   The final should be worth less. It doesn't reflect how much we learned in the semester.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   Yes.

C. Open Response:

1. What are the instructor's best characteristics?
   - Very enthusiastic, wants to teach and help you understand the material.

2. What are the teacher's worst characteristics?
   - He sometimes makes questions too difficult.

3. How does this instructor compare to other instructors you had a NU?
   - Fairly well (comparably) challenged me.

4. Do you have any suggestions with regards to the content and/or method of the course?
   - Explains concepts a little clearer and give simple examples then gradually move to harder concepts.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   - Yeah, he was definitely challenging you, and force you to think differently.

6. Additional remarks:
   - Cool person, very knowledgeable.

Would you refer a friend to take this course?  
Yes

(Please turn over)
C. Open Response:

1. What are the instructor's best characteristics?
   He was very quick to respond to emails and always willing to explain more if people had a question. He didn't move too quickly through topics and took time to make sure people understood.

2. What are the teacher's worst characteristics?
   Sometimes he went a little too slow or sometimes quiz questions were difficult compared to practice questions.

3. How does this instructor compare to other instructors you had at NU?
   He was very nice and helpful.

4. Do you have any suggestions with regards to the content and/or method of the course?

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   Yes, because he does a very good job teaching.

6. Additional remarks:
   keep it up! Thank you for everything!

Did you refer a friend to take this course? Yes

(Please turn over)
C. Open Response:

1. What are the instructor's best characteristics?
   Just was good at explaining things in different ways. If someone was confused, he would clear it up so them.

2. What are the teacher's worst characteristics?

3. How does this instructor compare to other instructors you had a NU?
   Just was just as helpful as any other teachers. His hands were good and he answered emails quickly.

4. Do you have any suggestions with regards to the content and/or method of the course?
   I think the chalkboard made it hard for the instructor to erase.

5. Would you refer a friend to take any course taught by this instructor? Why or why not?
   Yes because he was very helpful and had good handwriting.

6. Additional remarks:
   This class was awesome.

Thank You
